COMMUNICATION TO EXAMINER

Attached is an Information Disclosure Statement citing two U.S. Applications as well as Form PTO 1449 (10 pages) which is submitted herewith to supplant the Form PTO 1449 form originally submitted in this application on February 11, 2002.

In comparison with the originally filed Form PTO-1449s, there are two mistakes that have been changed herein: 1. on page 2 of Form PTO-1449, the reference to Jackson, U.S. Pat. 1,653,592, issued 12/20/27 was entered as a typographical error, the correct citation is listed just below under U.S. Pat. No. 1,653,572. Accordingly, U.S. Patent No. 1,653,592 is crossed-out, and no copy will be provided; and 2. on page 5 of Form PTO-1449 U.S. Pat. 5,649,532 should be identified as Griffiths and U.S. Pat. 5,649,533 should be identified as Oren.

During a personal interview with Examiner Erez on August 8, 2002, Applicant's representative hand-delivered a series of (5) five bound notebooks containing a copy of each reference that Applicants would like to have made of record in regard to co-pending Application No. 10/067,772. The enclosed Forms PTO-1449 include a listing of all of the references listed on the 1449's that were filed with Application No. 10/067,722. The references contained in those notebooks also pertain to the references cited in the instant application.

Applicant believes no fee is due for this submission. However, if the Examiner deems it necessary to charge additional fees under the Rule 17(p), he is authorized to charge said fee to our Deposit Account No. 03-3975 under Order No. 74066/290534.

Should the Examiner wish to discuss this matter, he is invited to telephone the undersigned.

Respectfully submitted,
